

Aboriginal Gold® Clay Facial Mask

200 ml facial mask

Item no.: 23218

Special Care

A good facial mask can work wonders - it can lend the skin a fresh and radiant appearance in no time. This process gives the skin back what it has lost through stress and burdensome environmental influences.

The centuries old secret of the Australian Aborigine – the skin caring properties of the Centipeda Cunninghamii – a treasure from the unique flora & fauna of the Australian outback.

Give your skin the chance to regenerate itself – the valuable plant extracts contained in the Aboriginal Gold® Clay Facial Mask pave the way for a healthy and fresh appearance:

- ✓ Nurturing facial mask containing kaolin for gentle, deep cleansing
- ✓ Refines pores, clears the skin and absorbs excess oils
- ✓ Enriched by Centipeda Cunninghamii and other valuable plant extracts
- ✓ QuSome® – the innovative transport system for maximum absorbance of plant nutrients
- ✓ Intensive care through vitamins A, C and E
- ✓ Suitable for all skin types

Recommended use:

Apply the Aboriginal Gold® Clay Facial Mask onto clean face and neck – not around eyes. Wait until mask is completely dry and then rinse off with luke-warm water. It is recommended to apply the facial mask 2 – 3 times per week.
